If you want to go quickly, go alone.

If you want to go far, go together.

This could be the year Windjammers and friends cross the lake together. Tentative departure in July or August.

Contact Jeff Bonvallet to express interest.

Welcome!

This year, the Cruise Committee will arrange six committee sponsored cruises that range from one to several days. These cruises will be organized, planned, and led, by a cruise coordinator. You can join or leave the cruise at any time, meet us at our port, or hop on a cruising boat.

For cruise details, contact the cruise coordinator or look for the informational posters in the clubhouse.

We encourage members to organize and plan their own cruises. If you wish to have other boats join you, the Cruise Committee will help by informing members of your cruise details and itinerary.
