Welcome!

This year, the Cruise Committee will arrange six committee sponsored cruises that range from one to several days. These cruises will be organized, planned, and led by a cruise coordinator. You can join or leave the cruise at any time, meet us at our port, or hop on a cruising boat. **Contact the cruise coordinator for cruise details.**

We encourage members to organize and plan their own cruises. If you wish to have other boats join you, the Cruise Committee will help by informing members of your cruise details and itinerary.

CRUISE COMMITTEE PLANS TO:

- Create marina and anchorage reports
- Arrange cruising educational seminars
- Promote flotillas
